Dear Members:

I would like to thank all of you for giving the newly elected board and me the honor of serving you. In addition, I would like to give special thanks to Heidi and her team for their leadership and diligence on behalf of LVMTA and all our students. They have helped us immensely during our transition, and done a yeoman's job in keeping us organized and running smoothly. Our goal is to keep LVMTA on the right course – the path that previous boards so successfully laid out for us. Our passion is making music in our society and we are committed to helping promote the financial security, professionalism, and artistry of music teachers. As opera singer Marilyn Horne stated at the 2008 MTNA convention, "Teachers, you're the ones who really count. You are the ones who are in the trenches." Teachers, it's onward and upward!

Cheryl Thornton, President

Ensemble Festival 2008 is Fast Approaching

Now is the time to start those **duets, duos, trios, quartets or quintets** if you haven't already. We are excited about the terrific response we had last September and look forward to having many more students and teachers join this event. The purpose of this festival is to provide an opportunity for teachers and students to perform ensemble music in a formal recital setting and to learn from that experience through an adjudicator's remarks. Teachers & students will choose whether they are working toward the optional NFMC Junior Festival requirements (see NFMC Junior Festival Bulletin for rules). Performance time limits, categories and all other details are found in last year's LVMTA's directory on pages 45-46.

Ensemble Festival 2008 will be held on Saturday, September 27 in Doc Rando Hall at UNLV. This is the only venue for all **NFMC piano ensemble entries** as well. They are no longer done in conjunction with the solo entries during the Spring. The online registration will begin on Saturday, August 30 and will conclude on Saturday, September 13.

If you are interested in being involved this year on a teacher ensemble or need ideas for ensemble music in your own studio, please contact Laurie Swain, 363-3378, lspliano@cox.net. Also we still have several handouts from our "Ensemble" workshop done at an LVMTA meeting in the fall of 2005 and several fine ensemble selections in our own LVMTA Ensemble Library available for checking out. This festival is a great way to start your studio off in the Fall! We are looking forward to hearing from all of your students!

TERRIFIC CERTIFICATION OPPORTUNITY....

Many of you were a part of a certification journey that Carol Stivers started back in 1994. Now in 2008, Mallie Riecken has agreed to start a series of classes on music theory, music history, etc. to prepare the music teacher for NMTA Certification. We will start the class in the fall and probably do it in blocks. If you are interested in getting nationally certified and attending these classes in preparation, please contact Laurie Swain, State Certification Chair (363-3378 or lspliano@cox.net) for more detail
